

ASTROLOGICAL ALMANAC

“A book written for the stars
that watched you arrive.

_____ is a one-of-one almanac, charted to a single
soul. Inside these pages, your sun, moon, and rising are translated
into rituals, reflections, and seasons of intention — a year of
growth scored by the sky on the night you were born.

For _____, born under the constellations
of _____ on _____ — this is the
book the heavens wrote for you.

* *Personal natal blueprint &
rising-sign portrait*

* *Rituals for new moons, full
moons, and eclipses*

* *A love letter from the
universe, written in starlight*

* *An invitation to belong to the
cosmos that loves you*
